

3rd official Newsletter of FIRS RAD TC

8th of October 2016

Hello everyone,

season 2016 is already over. Therefore, the FIRS RAD Committee had a meeting in Ismaning (GER) to decide about different applications and discuss about many different issues concerning Inline Alpine and Downhill.

Changes that affect athletes, trainers and race organizers will be found in the following newsletter. If you have any further questions concerning the newsletter, please send an e-mail to Jana.Boersig@outlook.de.

We wish all skiers a successful season and hope to see everyone next year.

-THE FIRS RAD COMMITTEE-

(All statements without guarantee)

1. Changes affecting Firs Rad races

- Starting Ramp
 - in Slalom World Cup, World Championships, Continental Championships and World Roller Games a starting ramp, with a minimal height of **1,5 meters** has to be built
 - if there are difficult weather conditions like rain, the jury will decide
 - there has to be a protection on the bottomsides of the ramp (e.g. mattresses if competitors are falling sideways)
- Changes in §38.2 Firs Rad Reglement
 - safety barriers have to be built up **continuously** on both sides of the track
- Second run in World Cups
 - only the best **40 athletes** of the first run are allowed to start in the 2nd run
- Fee for Firs Rad Races
 - in World Cup and Continental Championships a maximum fee of 15 € is allowed
 - in World Championships a maximum fee of 20 € is allowed
- Prices of World Cups and World Cup overall standings
 - For World Cups: minimum prize money of 660€ - 100€, 80€, 60€, 40€, 30€, 20€
 - For World Cup overall standings Firs Rad will give an overall prize money of 3000€ (→ 400€, 300€, 200€, 150€, 100€, 90€, 80€, 70€, 60€, 50€)

2. Changes affecting organizers of Firs Rad races

- Changings of timetables durring a race
 - if timetables durring a race are getting changed unreasonable, Firs Rad can demand a fine
- Publishing results after a race (§22.4 Firs Rad reglement)
 - the organizer is requested to publish the results less than two days after a race
 - if this is not taken into account, Firs Rad will demand a payment of 100€

3. Changes in Firs Rad Task Board

- Vojtech Kesely (SVK) is the responsible person for TD (incl. TD education). For any question related to this topic please contact Vojtech Kesely directly.
