=====

1. Review Protocol Ismaning 8th of October 2016

-> Martin Kudelasek will prepare a new regulation

"17. Restart of the race"

till Ismaning meeting April 2017 ... then we will discuss and vote!

-> Martin Kudelasek will change the references in §22, §45 and §50:

www.inline-alpine.org

to

www.firs-rad.org

http://www.world-inline-alpinecommittee.org/documents/Guidelines_of_WR_points_calculation.pdf
to
http://www.firs-rad.org/documents/Guidelines_of_WR_points_calculation_2015.pdf

analyses@world-inline-alpine-committee.org
to
analyses@firs-rad.org

→ Organizers should send Invitations to Sigi to publish them on the Homepage

-> Statements from FIRS RAD:

“ It is very important, that organizers doesn’t change the timetable! So, if timetable is unreasonable changed, FIRS RAD can demand a payment.”

“ It is very important, that organizers give the results of the races to FIRS RAD Homepage at the day of the race!” So, if results are loaded up later than two days after the race, FIRS RAD will demand a payment 100 Euro (all FIRS RAD Races).”

“ FIRS RAD TC needs more information about membership in CERS. We will discuss in Ismaning April meeting!”

-> Internet Voting Platform from Bernd Altmann:

He will prepare a Internet platform for responsible Persons from the nations, to vote before FIRS RAD TC meetings about applications.

List of included nations will be nations with active racers!

-> Changes in Regulation (have to be done soon!) ... Martin Kudelasek:

41.3 Starting ramp

The starting ramp should be build for a calm wait to the starting command. Breaks should not touch the ground.

In Slalom WC, WCH, Continental CH and WRG there has to be a starting ramp, minimum 1,5 m high! But in rainy conditions, Jury will decide.

There has to be some protection next to the ramp.

48.7 The apportioning of the prize money

For the particular standings the FIRS RAD World Cup, MEN/WOMEN (Overall)-Continental Championships and World Championships Races (not Team Race) Organizer makes min 660 € available for prizes. Other prizes are up to organizer.

Position	women	men
1.	100 €	100 €
2.	80 €	80 €
3.	60 €	60 €
4.	40 €	40 €
5.	30 €	30 €
6.	20 €	20 €

For FIRS RAD overall world cup standings FIRS RAD provides 3000 EUR prize money bank:

Position	women	men
1.	400 €	400 €
2.	300 €	300 €
3.	200 €	200 €
4.	150 €	150 €
5.	100 €	100 €
6.	90 €	90 €
7.	80 €	80 €
8.	70 €	70 €
9.	60 €	60 €
10.	50 €	50 €

38.2 Technical elements

Safety Barriers have to be continuously on both sides of the track.

22.4 Transmission of results

Each organizer will receive the login data for his race from FIRS-RAD TB (Analyses). The following data of WC and WR races must be uploaded to the website www.firs-rad.org :

After registration deadline:

- Starting List (only WR)

Not later than 2 days after the race:

- List of results of the organizer (only WR)

- Result data:

The format of result data is described in the file <http://www.firs-rad.org/documents/resultformat.pdf>

The data for the list header must be entered:

- Chief race, TD, Chief timing, Race distance

- 1st and 2nd run: course setters, number of gates, course condition, starting time

If no result data has been transferred within 2 days after the race,

FIRS RAD will demand a payment of 100 Euro!

46.1 Fees

Organizer fee is 1000 € for World Championship per race (in agreement with FIRS).

Entry fee per racer per race is maximum 20 €. (The entry fee is paid to the organizer).

47.5 Fees

Organizer fee is 300 € for Continental Championship per race.

Entry fee per racer per race is maximum 15 €. (The entry fee is paid to the organizer).

48.1 Fees

Organizer fee is 500 € for World Cup per race (Organizer fee is to be paid to FIRS RAD TC Bank Account until 1st May).

Entry fee per racer per race is maximum 15 €. (The entry fee is paid to the organizer).

48.5 starting list 2nd run

The limit 40m-40w best racers from the 1st run is applied for 2nd run. A starting-list for the second run must be announced in time and must be available in a sufficient quantity.

2. Applications for meeting 22nd of April 2017

APP1: M. Kudelasek

Season 2017 "WR-points"

APP2: M. Kudelasek

37.1 Team race can be organized in the following disciplines
- Slalom (abridged)
or
- Parallel Slalom

Vote: YES: 4 NO: 0 No vote: 1

APP3: V. Kesely

46.5 Quota regulations

Nation, which representants reached the highest sum of World Cup points in the category of men during the previous year, has a quota of 35 racers in this category. Other nations have a quota of 15 racers in this category.
Nation, which representants reached the highest sum of World Cup points in the category of women during the previous year, has a quota of 35 racers in this category. Other nations have a quota of 15 racers in this category.

Vote: YES: 4 NO: 0 No vote: 1

APP4: CLUB DEPORTIVO LEITARIEGOS

Modification for Euro Champs 2017 ... including Team Slalom

1) CALENDAR MODIFICATION

We request that the European Team Championship of all categories be approved and included in the calendar. Therefore, the dates of the races of Villablino (Spain), would be of the following form:

Date Discipline Valuation

Friday, August 11th Slalom World Cup

Saturday, August 12th - morning Team European Championships

Saturday, August 12th - afternoon Parallel European Championships

Sunday, August 13th Slalom European Championships

Vote: YES: 0 NO: 4 No Vote: 1

→ No Team Race on Saturday

2) RULES FOR THE PSL

a) Limit of participation

A maximum of 8 racers for each category:

Categorías Classes Racers

Children Women 8

Children Men 8

Junior Women 8
Junior Men 8
Active Women 8
Active Men 8
Master Women 8
Master Men 8
Total Racers ... 64

Vote: YES: 0 NO: 3 No Vote: 2

➔ Race has to be organized according to Reglement. For European Championships in Villablino :

Categorías Clases 32er parallel slalom structure

Children Women 32
Children Men 32
Junior Women 32
Junior Men 32
Active Women 32
Active Men 32
Master Women 32
Master Men 32

b) Qualification.

The first run of the World Cup (Friday, 11 de agosto) will also be the qualification race for PSL.

Vote: YES: 0 NO: 3 No Vote: 2

➔ World Cup should not be qualification race for PSL. Qualification race has to be according to the reglement- One run on red or blue course PSL

c) Rounds

1 against 8
2 against 7
3 against 6
4 against 5

Vote: YES: 0 NO: 3 No Vote: 2

➔ According to the reglement

3) RULES FOR TEAM RACE

- A minimum of 3 teams for each category.
- To facilitate the formation of teams, Children will be able to participate in Junior or Active, and Junior and Master will be able to participate in Active. That is, there will be the following categories:

Categorías Years

Children 2001-2004
Junior 1996-2004
Active 2004 and older

Master 1977 and older
But one racer only will be able to participate in one category.

Vote: FIRS RAD TC has not to vote
→ No Team race- see voting 1)

APP5a: V. Kesely

17. Continue after interruption of the race

17.1 The race is getting continued as soon as the maintain works are finished, when the weather conditions are changing so that a regular race can be granted.

17.2 The race continues with the first racer, that have not passed the track yet (not with the first racer in the category).

17.3 In case of the rain during the run, jury interrupts the race for racers to change their wheels and race continues where it has stopped. The results of racers, that have already passed the track are valid, no matter whether the surface conditions are changed.

17.4 The all-clear is made by the jury after the inspection of the track

Vote: YES: 1 NO: 3 No voting: 1

APP5b: S. Zistler

16. Interruption of the race

16.1 By a functionary at the track

To carry out maintain works on the track, to grant a fair and regular race

16.2 By the jury

When rain starts to fall, the race is interrupted once. During the interruption the competitors can adjust their equipment to the new weather conditions.

16.3 In changing weather conditions, organizer should prepare equal conditions. Race track should be dried. It could be also flooded with water. Decision is made by the jury in cooperation with the organizer.

17. Continue after interruption of the race

17.1 The race continues with the first racer in the category.

17.2 The all-clear is made by the jury after the inspection of the track.

Vote: YES: 3 NO: 0 No voting: 1
→ Change/complete in Reglement

Information for APP5a and APP5b: Actual Regulation

16. Interruption of the race

16.1 By a functionary at the track

To carry out maintain works on the track, to grant a fair and regular race

16.2 By the jury

When rain starts to fall, the race is interrupted once. During the interruption the competitors can adjust their equipment to the new weather conditions.

17. Restart of the race

17.1 The race is getting restarted as soon as the maintain works are finished / when the weather conditions are changing so that a regular race can be granted.

17.2 The all-clear is made by the jury after the inspection of the track

APP6: V. Kesely**36.17.1. Other conditions in PSL**

When the racer is disqualified (further only DSQ) or does not finish (further only DNF) the first run, he loses. The opponent does not have to start in the second run and wins.

When the racer is DSQ or DNF the second run, he loses.

If both of the racers are DSQ or do DNF the first run, the winner is the racer, who passed the longer section of the track without mistake. They do not go the second run.

If both of the racers did not pass the second run (DSQ or DNF), the result from the first run is decisive.

If both of the racers have same time in the first run and neither of them passes the second run (DSQ or DNF), the winner is the racer, who passed the longer section of the track without mistake.

If one of the racers does not get on the start and does not announce his resigning, the other racer must start to win. The other racer is winner immediately after starting, he does not have to pass the finish.

Vote: YES: 4 NO: 0 No vote: 1

→ Change/complete in Regulations

APP7: V. Kesely**36.22.1 Other Positions in PSL**

Racers are positioned on 5th-8th place according the time from the qualification.
Racers are positioned on 9th-16th place according the time from the qualification.

Racers are positioned on 17th-32nd place the time from the qualification.

In case of DNF or DSQ of the racer, the racer is clasified as a last one in particular run (8th, 16th, 32nd). In case that several racers are clasified DNF or DSQ in the same run are same, the time from the qualification is decisive.

Vote: YES: 4 NO: 0 No Vote: 1

→ Change/complete in Reglement

APP8: V. Kesely**36.8. Inspection**

.....

.....

Start

The launch will be chaired by the chief of the start. For this purpose built directly into the middle in

front of or behind the two canopy doors as a podium from where he can survey the entire launch. It

has two start assistants each time to help the contestants in their predetermined start position.

The starter sets the start **command**.

No vote only grammatical change in reglement**APP9: S. Zistler**

Because of transparency in FIRS RAD, protocols of FIRS RAD TC meetings should be placed on www.firs-rad.org.

Vote: YES: 5 NO: 0 No Voting: 0

3. Races 2017 (WRG, Euro Champs, World Cup, WR)
