APP 1: Pre runner

14. Pre-runner

14.6

Proposal: add a clarification —>

*“At international races runners dropped out in the first run, can act as pre-runners in the second run if they make an application for it. **2 pre-runners per nations is allowed. In case of many pre-runners, the jury can decide who can be a pre-runner”***

Reason: this is what has been currently done. We just should add it.
