APP1: Regulations for World Cup Day – GER

→ see appendix

Germany requests an amendment for the World Cup day. For most of the younger racers it is not sure they have a starting right on World Cup day. The athletes and parents travel many hours and much kilometers not knowing they can participate on the second day of a racing weekend. Germany suggests following procedure:

- 1+2 Run WorldRanking
- The fourty best athletes compete in the third run for the WorldCup
- = total out of the rounds = WorldCup-Winner of the day
- The WorldRanking-points are determined from the results of the first two runs

- The WorldCup-Day-Winner (Winner of the day) is the best Athlete out of all three runs
