Special rules for World Ranking races

“WORLD SKATE RAD TC” particular and collective valuation

All result lists of the inline alpine World Ranking races in progress season include the official rankings of the “WORLD SKATE RAD TC” are present at: www.worldskate-rad.org or the websites of all involved nations.

World Ranking Races:

Race points are calculated. The point coordinator calculates the WR-points. Addition of the two scoring runs is the scoring for the Results. Adding the individual race results gives the total in the points.

Calculation of World Ranking Points:

Look at:

http://www.worldskate-rad.org/documents/Guidelines_of_WR_points_calculation_2017.pdf

Transmission of results:

Each organizer will receive the login data for his race from WORLD SKATE-RAD TB (Analyses). The following data of WC and WR races must be uploaded to the website www.worldskate-rad.org :

After registration deadline:

Starting List (only WR)

Not later than 2 days after the race:
