Suggestions for changes in regulations

Proposal (1)

As is rule	Proposal/Demand of WS	Reason	WS IA TC Decision
<p>5.2.1 Prohibition of driving on When a gate is not passed accurately</p> <ul style="list-style-type: none"> ·If a competitor did not pass a gate accurately, he must not pass the following gates. ·If a competitor doesn't pass a gate accurately, he can go back and continue his run at the gate where the mistake happened. ·For this the competitor must make a bow above the gate. ·The aim of driving on must be clearly visible 	<p>5.2.10 Prohibition of driving on When a gate is not passed accurately</p> <ul style="list-style-type: none"> • If a competitor did not pass a gate accurately, he must not pass the following gates. • If a competitor doesn't pass a gate accurately, he can go back and continue his run at the gate where the mistake happened. • For this the competitor must make a full bow above the gate from the right or left side. • If the physical gate is moved from its marked position during competitor's run, the competitor must make a full bow around the marked position of the gate on the ground, not the physical gate. • The aim of driving on must be clearly visible 	<p>Explanation of the positioning of the gate</p>	<p>4 x YES</p>

Proposal (2)

As is rule	Proposal	Reason	WS IA TC Decision
<p>5.3.1. Start-intervals</p> <p>The start-intervals must be chosen the way that the security is assured</p> <p>The start-intervals must be chosen the way that there is enough time for the gate-judges the track-staff to carry out their work according to the regulation.</p> <p>The jury can allow the starts in irregular intervals.</p> <p>If TV crews to be on site, the starting distance of the last 20 runners is 60 seconds, measured from the finish line of the previous runner</p>	<p>5.3.1 Start-intervals</p> <p>The start-intervals must be chosen the way that the security is assured.</p> <p>The start-intervals must be chosen the way that there is enough time for the gate-judges the track staff to carry out their work according to the regulation.</p> <p>The jury can allow the starts in irregular intervals.</p> <p>If TV crew or livestream is present, the starting distance of at least the last 10 runners (or 5 runners in categories) is at least 15 seconds. This is measured from the finish line of the previous runner.</p>	<p>60 seconds are too much</p>	<p>4 x YES</p>

Proposal (3)

As is rule	Proposal/Demand of WS	Reason	WS IA TC Decision
<p>5.3.3 Parallel slalom Finish</p> <p>The finish systems are symmetric.</p> <p>The photocell must be mounted on a line.</p> <p>Each goal is characterized by a two poles band representing a "the finish gate".</p> <p>Each of these must be at least 3 feet wide. The poles of the inner side by side.</p> <p>When the finish entrance/exit an optical dividing line shall be marked on the track by means of colour.</p> <p>The finish line shall be marked</p>	<p>5.3.3 Parallel slalom Finish</p> <p>The finish systems are symmetric.</p> <p>The photocell must be mounted on a line.</p> <p>Each goal is characterized by a two poles band representing a "the finish gate".</p> <p>Each of these must be at least 3 feet wide. The poles of the inner side by side.</p> <p>After the finish line, the finish area must be divided into two separate tracks (following the setting of the parallel slalom track). There must be a line made of plastic cones at least 6 meters long. The dividing line must not pose a threat to competitors' safety, therefore the cones must be easily movable.</p> <p>The finish line shall be marked</p>	<p>Safety of the racers</p>	<p>4 x YES</p>

Proposal (4)

As is rule	Proposal/Demand of WS	Reason	WS IA TC Decision
<p>5.3.3 Parallel slalom Disqualifications</p> <ul style="list-style-type: none"> • crossing the dividing line at the finish line 	<p>5.3.3 Parallel slalom Disqualifications</p> <ul style="list-style-type: none"> • crossing the dividing line at the finish line 	<p>The race is finished after the finish line</p>	<p>4 x YES</p>
<p>10. DISCIPLINARY ACTIONS AND DISPUTES Bad sportsmanship</p> <p>Bad sportsmanship includes:</p> <ul style="list-style-type: none"> • intentional track equipment damage by athlete • verbal abuse and swear word use against other persons • other bad sportsmanship related action <p>By violating these norms, the jury has the possibility of first warning through a yellow card or giving the runner a 100 EUR fine. The action should be declared together with disqualifications after the race and also written in official results. Racer will have this warning during the whole season on all World Ranking races and races where the arranger is World Skate Inline Alpine and Downhill Technical Commission. If a bad behaviour action is repeated, jury must punish him with 100 EUR fine.</p>	<p>10. DISCIPLINARY ACTIONS AND DISPUTES Bad sportsmanship includes for example:</p> <ul style="list-style-type: none"> • intentional track equipment damage by athlete • verbal abuse and swear word use against other person • crossing the 6 m dividing line after the finish line in parallel slalom • riding on in the track after missing a gate (after disqualification) • other bad sportsmanship related action <p>By violating these norms, the jury has the possibility of oral warning, warning through a yellow card or giving the runner a 100 EUR fine. The action should be declared together with disqualifications after the race and also written in official results. Racer will have the yellow card warning during the whole season on all World Ranking races and races where the arranger is World Skate Inline Slalom Technical Commission. If a bad behaviour action is repeated, jury must punish the competitor punish with 100 EUR fine.</p>	<p>Clarifying bad sportsmanship</p>	<p>3 x YES; 1 x abstention;</p>
