Privacy Statement for the Conduct of the Race	By registering for this race, personal information will be collected and provided to other sources. This information is used exclusively for registration and for the organization of the race and will not be transmitted to third parties not involved, especially if it is for advertising purposes. This competition is public. Therefore, we will publish all the relevant information (name, surname, place, club, nationality, date of birth) and the results obtained and we will transmit them to the interested media. The athlete accepts the collection, processing, storage and use of personal data and the publication of the registration, output and results lists. The lists of results are stored and available for download on the Internet. The athlete has the rights of access, rectification, cancellation, opposition and limitation according to LOPD by written request via email: roberto.vitaliano@worldskate.org The information in the email address only serves to send confirmation of registration, to make inquiries and for the information of the participants. In the case of minor participants, the legal guardians / parents agree to the above rules with the registration to the race. Note of image rights. The right to one's image implies that each person can basically decide for themselves if and in what context the images or films are published. The publication of a photo of a person, therefore, requires your consent. By registering for this race, you agree to attend a public event voluntarily. In addition, you agree that organizers may use and publish your images in electronic media and print media for an unlimited period of time. If one requests the deletion of an image after publication, the organizer will comply with this request. In case of minor participants, the legal guardians accept the above rules with the registration to the race.
